

WE'RE ALL ABOUT TRAILS

The Rachel Carson Trails
Conservancy, Inc. (RCTC) is a
nonprofit volunteer organization
dedicated to the development,
protection, and promotion of hiking,
biking, and walking trails in western
Pennsylvania. The RCTC manages
and maintains more than 170 miles
along The Harmony Trail, The Rachel
Carson Trail, and The Baker Trail.

TWO FLAGSHIP ANNUAL EVENTS

The Rachel Carson Trail Challenge is a one-day endurance hike that covers the middle 36 miles of the Rachel Carson Trail. Due to the terrain, there are a limited number of registration spots, which are always filled well before the Challenge. Often people who are unable to get into the Full Challenge choose to participate in The Homestead Challenge that occurs on the same day, headed in the same direction, but half the mileage (17 +/- miles). Finally, for those who want to participate in the

adventure as a family or a group of friends we offer the Friends and Family Hike (7 miles). **This year's Challenge is Saturday, June 19, 2021.**

The Baker Trail UltraChallenge is a 50-mile ultramarathon on the Baker Trail. Unlike the Rachel Carson Trail Challenge, this is a timed footrace: the "challenge" is for a runner or relay team to win or at least finish within 14 hours. This grueling event is only possible because of the hundreds of volunteer hours organized by the Conservancy to maintain the trail and manage the event. Similar to 'The Rachel,' volunteer trail stewards maintain and keep the trail clear for year-round training and enjoyment. This year's UltraChallenge is Saturday, August 28, 2021.

BLAZING INTO THE FUTURE

Due to an increase in developments and urbanization of the rural areas outside of Pittsburgh our group continues to work with local communities to keep nature and the countryside accessible and beautiful for people of all ages and abilities. As an organization operated thanks solely to volunteers, your contribution is directed to taking care

Just as our volunteer efforts are ongoing, so is the vital need for your support

of our natural resources which benefits businesses, neighborhoods, and families of Western PA well

into the next chapter of our region's rich history. We've provided a list of benefits your organization will receive if you are able to so generously support the Conservancy.

Please don't hesitate to reach out for further information or contact us to commit to any of the various levels of sponsorship.

With sincerest gratitude,

Doug MacPhail Sponsorship Chair
